Dear Retreat Center Guest,

The following pages offer some practical information about what a stay at Tierra looks like. We always look forward to sharing our facilities and the natural experience of Sunitsch Canyon with guests. Sunitsch Canyon is a vibrant, open and agricultural valley in the foothills of the Cascade Mountains. We experience the full range of the four seasons: from winter mountain weather to hot dry summers. Spring brings a profusion of wildflowers and crisp fall days light up the understory foliage.

We are pleased to offer a large expanse of space and quality facilities including: comfortable rooms, a variety of meeting spaces, recreation courts, a meditation and yoga yurt, a hot tub and a number of other surprises. Our Retreat Center rental agreements are somewhat unique in the scope they allow guests to personalize the facility to meet their needs. Tierra Retreat is a “low host” facility. Tierra staff are behind the scenes but it is each event organizer’s responsibility to host and facilitate their group’s experience. We therefore ask guests to take as much responsibility as they can for the care of the place during a stay. In return, we hope to offer a beautiful and tranquil landscape and the facilities that allow you to both focus and relax.

Your stay at the Retreat Center also brings you into the larger local Tierra Learning Center community. The Retreat Center maintains its own space in the upper canyon while in the lower canyon Tierra is alive with a full time, year-round preschool, an independent organic farm, production pottery studio, an active forestry department and a community that supports people of all abilities, including Tierra Village residents. You can learn more about what’s happening at Tierra on our website www.tierralearningcenter.org or during your stay here.

We have provided the following pages to help you plan for your stay. If you have questions about the facilities please feel free to contact our Retreat Center Manager **Jen Caldwell** at **(509) 546-6880 x227** or at **Jen@tierralearningcenter.org**. The organizer of your event, unless you are staying over as a single room rental, will be responsible for your actual room assignment and will be able to provide further facility details for your stay.

Welcome and Thank You,

The Staff of Tierra Retreat Center and the Tierra Learning Center Community

Guest Support and Assistance

- Sunitsch Canyon will provide a thorough orientation to the individuals hosting or sponsoring the event and give a general orientation to groups if desired with advanced notice.
- Sunitsch staff will be on call Monday-Friday 8am-5pm and happy to assist the hosts throughout the stay. Jen can be reached via cell at any time.
- We ask that guests contact Sunitsch staff only in event of emergency if after hours. (See emergency information page in guest book and in the Main Lodge Guest Office)
- Single room rental guests will have on-call contact information so that we can better assist with your stay.

Phones and Internet

- Cell phone coverage is limited in Sunitsch Canyon. Currently Verizon has the best coverage at Tierra. If you have Verizon you will most likely be able to at least text if not make calls in the lodge and at the suites.
- All Room Suite phones have individual extensions and voice mailboxes. The voicemail password in the Room Suites is either 1234 or 1111. Room Suites can receive incoming calls routed through the main Tierra phone number. Extensions are posted on our website and in the room books and the Guest Office in the Main

12000 Sunitsch Canyon, Leavenworth, WA 98826 - (509) 548-6880
Lodge. Room Suite phones can not make external calls other than emergency 911 (dial 9- 911.) An outside line is available for guests in the Main Lodge Guest Office. Long distance US mainland calls only may be dialed directly at no charge. We ask that guests respect this service and limit the duration of any call.

- Wi-Fi Internet service is available throughout the Main Lodge. There is no password. The best available technology right now, for us, supplies limited bandwidth. E-mail and basic web browsing are reliable. We ask that guests not stream video of any duration; it simply bogs down the system for all users. For presenters we recommend downloading any large files before coming to Tierra.

Housekeeping

- We are a “low host” facility. Guests, and ultimately the event sponsor, will be responsible for basic facility upkeep during the stay. Tierra provides a range of cleaning supplies to help with this. They are located in the Laundry Room of the Main Lodge.
- Extra hot tub towels, irons, ironing boards, bathroom supplies, TP, Kleenex, and paper towels are located in the downstairs laundry room of the Main Lodge. Laundry is a \$3.00 per load. This helps us pay for upkeep of our machines, the detergent, and the resources.
- We’re fortunate to offer amenities such as hardwood floors and log furniture. We ask that our guest assist us in maintaining these assets by removing shoes when in carpeted space, treating stains and spills if they occur and maintaining general cleanliness with light daily cleaning as needed. Slippers are a nice item to bring for your stay.
- We ask guests to assist us when checking out of Room Suites by removing perishables, consolidating garbage and leaving rooms generally as they were found. Please follow the “Checkout Procedures for Suites” sign located in your suite.

Stewardship, Inclusion and Positive Growth

- This is the larger mission of the Tierra Learning Center - we invite you to help bring some of this into your stay at the Retreat Center facility.
- Please help us to conserve water and electricity.
- Please turn off the lights, heat and air conditioners when not in use and keep doors and windows closed to keep the heat/ac from working over-time.
- Reuse cups and glasses if possible.
- Join us in our recycling efforts. There is a recycling station inside Main Lodge as well as near the back door of the lodge. We also compost food left overs. More information is posted in the Main Lodge.
- Please no disposable plastic water bottles, Styrofoam, or plastic plates. Please source paper or bamboo if using disposable items. Thank you!
- Please return items to where you found them and let us know when things are broken.

Driving and Parking at Tierra Retreat Center

- Please, Please, Please drive slowly along all of Sunitsch Canyon road- 15mph speed limit. There are kids, Tierra Village residents, dogs, lots of dust and occasional ice to contend with and moderate amounts of foot and bicycle traffic by outside visitors. Everyone at Tierra sincerely thanks you for this effort.
- Please keep in mind that we are located at the end of a dirt road. Driving conditions can be variable. Expect mud and potholes in the spring and fall and ice and snow in the winter. If you are arriving during the winter, please try and bring a 4WD or AWD vehicle. If you have a 2WD vehicle, please have chains available and know how to use them. We do our best to keep our roads cleared and passable (In the winter, we plow and sand as needed. In the spring and fall we patch potholes frequently). However, we appreciate any effort you can personally make to be prepared.
- Please park your vehicles in the guest parking lot after unloading. We need to maintain a clear fire lane through the cabin area.

Emergencies and Safety

- Bears, coyotes and the occasional cougar call Tierra home. If you encounter a bear, they will likely be more scared of you than you are of them. Make yourself big and loud as possible and back away slowly. Do not look them directly in the eye. If you encounter a cougar, make yourself big and do not turn and run away. Arm yourself with whatever is convenient.
- Honey bees, yellow jackets, bald faced hornets and black widow spiders also inhabit the property. Please carry an epi-pen if you know you are allergic. Black Widows mainly live in uninhabited gopher holes out in the fields and are reclusive by nature.
- Due to fire danger, smoking is only allowed in the smoking shed behind the Main Lodge.
- Fire danger levels for the Leavenworth area can be checked on the following website: <http://www.chelanfd3.org/fire-danger>. Tierra adheres to these regulations and also has the right to ban all campfires based on fire danger.
- In the event of a real emergency, please dial 911 from any phone. From the room suites dial 9 first then 911. After calling 911, please notify your group facilitator and Tierra staff.

For Further Questions, please contact **Jen Caldwell**, the Retreat Center Manager at x227 (office), 971-570-1976 (home) or via email at Jen@tierralearningcenter.org.
